PRAY This is an occasion for all of us - especially in families - to pray more intensely for each other and especially for those who have succumbed to the illness. We should pray also for those at the frontlines - especially doctors, nurses and medical staff and other carers, including clergy - that the Lord will protect them as they place their own wellbeing at risk in the service of all.

REMEMBER TO PUT CLOCKS FORWARD ONE HOUR ON SUNDAY

ACT OF CONSECRATION OF THE FAMILY TO THE DIVINE MERCY

O Jesus, you showed us
your infinite compassionate love
by exhausting the very last drop
of blood and water from your body.

From this day forward,
with full confidence,
we entrust our families
to your Divine Mercy.

We abandon our past,
our present and our future.

We place into your wounds
all of our wounds which are caused
by lack of love, understanding and trust.

Jesus, expel Satan and all evil
from our families, free us from
the consequence of sin and protect us
from further harm.

Heal our wounds.

May our families learn to venerate your
Divine Image that they will never perish
but experience your loving mercy.

Amen.
